

How To Make Money

On

Facebook

By Austin O.A.

Do you know that you can make money from your Facebook page? Do you have a Facebook account and do not know how to use it to earn extra income online? With the explosion in the number of people on Facebook (more still joining everyday), Facebook can be a reliable source of extra income with some work and a clever approach.

In this short book, I am going to show you three easy steps that will enable you to make cool money with you spending little or no money. All that is mainly required is your time.

This is just an outline, for details of 'How To' check out our ebook – [Facebook Marketing – The ultimate money Machine.](#)

Step 1: The first step is to create a Facebook account. Then try and increase your number of friend as the more friends you have the more people you can reach. For details about how to increase your number of friends, get our ebook: **Facebook Marketing – The ultimate money Machine.**

Step 2: The second step is one of the most important. you need to have a product to sell. The good thing with selling on facebook is that you need not be the owner of the product you sell. Below are strategies to use to get products to sell.

1. **Your own products:** if you already have your own products this will be easier for you.
2. **Buying the product:** if you don't already have your own product(s), then you can buy

from the market, usually suppliers and distributors and sell them on facebook.

3. **Importation:** you can import product from China. You can do this via aliexpress.com and alibaba.com. The process of importation from China is very easy. All you need are Debit or credit cards with money in it and a physical address.

4. **Affiliate Marketing:** if you do not have your own product and do not want to engage in buying and selling, you can still make money by promoting other people's products. This is called affiliate marketing, and it can be very lucrative. Many online marketing companies are all have affiliate program or the other. Examples are: Jumia.com, Asoshop.com, Konga.com, Amazon.com etc.

5. **Training:** you can also organize trainings to teach your friends about what you know.

When i started using facebook, i never knew the power of it until when i was making money from fiverr.com and i update it on facebook

Step 3: Promotion: once you have decided on the product or services you want to sell, or how you want to make the money, the next step is to begin to promote them.

There are several ways you can do this. Below are examples of how to create out the marketing or promotion.

- **Posting (status update)**
- **Facebook advertising**
- **Group posting**
- **Chatting**
